History and Mission

Founded in 1985, **PPD** is a leading global contract research organization with offices in 46 countries and more than 26,000 professionals worldwide. Our clients and partners include pharmaceutical, biotechnology, medical device, academic and government organizations. PPD applies innovative technologies, therapeutic expertise and a firm commitment to quality to help clients and partners optimizing value in delivering life-changing therapies that improve health.

Highlights

Forbes has Named PPD One of America's Best Large Employers.

Life Science Leader magazine has Recognized PPD for Excellence in Clinical Research.

The Association of Clinical Research Professionals and The Avoca Group have Named PPD as the Winner of the CRO Quality Award.

Training magazine has Ranked PPD as a Leader in Employee Learning and Development.
