Finest Quality in Research

HISTORY AND MISSION

Conreso – founded in 1990 – has set a benchmark with its unequalled quality. Both national and international sponsors benefit from the exceptional efficiency, pleasantly fast pace and incomparable willingness to provide service. With its highly qualified team, Conreso has significantly contributed to important new product licenses in Europe and the USA. Its repeat business quote was consistently 90 % over the past 15 years.

HIGHLIGHTS

Paediatric expertise:

Conreso has recruited more than 30.000 children aged from 2 weeks to 17 years for clinical studies.

Oncologic expertise:

For its oncologic services Conreso was awarded »Best Clinical Team Europe« by a top five pharmaceutical company.

Late phase/epidemiologic expertise:

Conreso manages late phase and long-term studies with sustained quality and care.

Vaccines expertise:

Five vaccine studies were FDA inspected with credit.

Veterinary studies:

The experienced team of veterinarians at the Conreso institute of veterinary medicine conducts veterinary field trials all over Europe.
