HISTORY AND MISSION

CROMSOURCE is an ISO-certified international provider of outsourced services to the pharmaceutical, biotechnology and medical device industries, specialized in clinical development and staffing solutions. A well-established full-service CRO, CROMSOURCE is unique in offering an End-to-End Guarantee covering trial timelines, enrollment and contract price. CROMSOURCE operates through offices across all regions of Europe and North America and delivers a comprehensive breadth of services.

HIGHLIGHTS

One Trial One Price

The CROMSOURCE guarantee is our unique pledge that the price agreed at contract signature is the only price that the Sponsor will pay.

Expert Trial Rescue

CROMSOURCE regularly rescues projects for clients dissatisfied with the progress of on-going studies. The experienced CROMSOURCE team quickly assess the situation and implement tailored solutions which get such trials back on track.

Feasibility Plus

Feasibility Plus is provided without obligation at the proposal stage. Through direct contact with potential investigators, Feasibility Plus provides accurate country and site selection data, and allows precise budget and timeline forecasts.

End to End Guarantee

Quality data. On time. On Budget. Guaranteed.
