**HISTORY AND MISSION**

Ecron Acunova (EA), a globally recognized full service CRO with Clinical and BA/BE expertise and fully owned subsidiary of TAKE Solutions, has consolidated its capabilities with TAKE's niche Life Sciences brand Navitas and Intelent to form a unified go-to-market brand – Navitas Life Sciences. Navitas Life Sciences leverages industry insights and domain expertise to develop and implement consulting, technology and functional services across the spectrum of Clinical, Regulatory and Safety, thus enabling LS organisations to achieve their desired outcomes.

**HIGHLIGHTS**

Navitas Life Sciences, a wholly owned subsidiary of TAKE Solutions, works as a strategic partner for large and mid-sized Life Sciences organizations to address critical challenges and achieve desired outcomes in Clinical, Regulatory and Safety.

Navitas Life Sciences' expertise spans more than 1300 studies including BA/BE, NIS, and phase I-IV, and 70,000 regulatory submissions. The company's unique proprietary network forums that include 300+ professionals from 100+ life sciences companies generate insights that help members prepare for the future of the industry. Navitas Life Sciences seamlessly combines best-in-class processes, meaningful and unique industry insight, innovative technology, exacting analytics and a customer-centric culture to deliver sustainable and valuable outcomes.
