PAREXEL[®]
 YOUR JOURNEY. OUR MISSION.[®]

HISTORY AND MISSION

Founded in 1982, PAREXEL International Corporation is a leading global biopharmaceutical services organization in the world today. PAREXEL's mission is to combine the strength of our expertise, experience and innovation to advance the worldwide success of the biopharmaceutical and medical device industries in preventing and curing disease.

HIGHLIGHTS

PAREXEL provides a broad range of expertise-based clinical research, consulting, medical communications, and technology solutions and services. Committed to providing solutions that expedite time-to-market and peak-market penetration, PAREXEL has developed significant expertise across the development and commercialization continuum, from drug development and regulatory consulting to clinical pharmacology, clinical trials management, and reimbursement. Headquartered near Boston, Massachusetts, PAREXEL operates in 86 locations in 51 countries around the world and has 19,370 employees. For more information about PAREXEL International visit www.PAREXEL.com.
