HISTORY AND MISSION

»We've got Skin in the Game.« Specialized dermatology CRO.
Headquartered in Münster / Germany, *proinnovera* provides full-services for your global study in 40 countries. With experience from 300+ clinical studies in 20 years, it is our goal to provide you with fast and efficient solutions for your study. Our company culture is value-based. Giving our word and keeping our word is our guiding belief and creativity is our contribution. We support global skin health.

HIGHLIGHTS

»We've got Skin in the Game.«
Specialized dermatology CRO.

As the expert-CRO in dermatology, *proinnovera* provides full service to your phase I to IV and medical device studies. In addition to that, we own significant knowledge in inflammatory diseases and oncology. This unique combination of therapeutic expertise makes us the right CRO for your complex dermatology as well as precancerous studies. We strongly believe that our fast and efficient solutions are the best way to make you successful and to make your product ready for the market.

SERVICES

Within the past 5 years, *proinnovera* has been engaged with 50 national and international dermatology studies with 344 sites and 5362 subjects. Indications covered amongst others complex skin diseases such as acne, actinic keratosis, atopic dermatitis, facial lipoatrophy, hyperhidrosis, infected eczema, onychomycosis, prurigo nodularis, psoriasis and rosacea.

We provide full-service as well as partial service for planning and conduct of national and global clinical studies in phases I-IV, NIS, PMCF and Food Supplements.

Our service portfolio covers:

- ▷ Project Management
- ▷ Clinical Monitoring
- ▷ Medical Writing
- ▷ Regulatory Affairs Management
- ▷ Patient Recruitment Management
- ▷ Data Management
- ▷ Bio Statistics
- ▷ Safety Management
- ▷ Quality Assurance

Founded in 1997 as a two-men-company, today *proinnovera* is still owner-managed and has grown to a mid-size company with 100 employees. *proinnovera's* company culture is value-based and goal-orientated. We offer services according to individual demand and deliver exactly those services you need for your success.
