History and Mission

Conreso, operating since 1990, has set a benchmark with its unequalled quality. Small and large sponsors benefit from the commitment of its highly qualified team to develop tailored solutions for the clinical development of their products. Conreso has significantly contributed to important new marketing authorizations in Europe and the US. Its quality and reliability are recognizable in a high repeat business rate.

Highlights

Paediatric expertise:

Conreso has recruited more than 30,000 children aged from 2 weeks to 17 years for clinical studies.

Oncologic expertise:

The oncologic services of Conreso were awarded "Best Clinical Team Europe" by a top five pharmaceutical company.

Late phase/epidemiologic expertise:

Conreso managed late phase/long-term studies with sustained quality and care.

Vaccines expertise:

Five vaccine studies were FDA inspected with credit.

Medical devices and IVDs

Conreso has contributed to the clinical evaluation of medical devices and IVDs with great success.
