History and Mission

Conreso, a frequently and regularly audited CRO since 1990, has set a benchmark with its unequalled quality. Small and large sponsors benefit from the commitment of its highly qualified team to develop tailored solutions for the clinical development of your product. Conreso has significantly contributed to important new marketing authorizations in Europe and the US. Its quality and reliability are recognized in a repeat business rate of 90%. Conreso does also provide veterinary services.

Highlights

Paediatric expertise:

Conreso has recruited more than 30.000 children aged from 2 weeks to 17 years for clinical studies.

Oncologic expertise:

The oncologic services of Conreso were awarded "Best Clinical Team Europe" by a top five pharmaceutical company.

Late phase/epidemiologic expertise:

Conreso manages late phase/long-term studies with sustained quality and care.

Vaccines expertise:

Five vaccine studies were FDA inspected with credit.

Veterinary studies:

The experienced veterinarians at the Conreso Institute of Veterinary Medicine conduct veterinary field studies all over Europe.
