History and Mission

Since our foundation in Dublin, Ireland in 1990, our mission has been to help our clients to accelerate development of drugs and devices that save lives and improve quality of life. Currently, ICON operates from 90 locations in 37 countries and has almost 14,000 employees. More information is at www.iconplc.com

Highlights

We are a global provider of drug development and commercialisation services to pharmaceutical, biotechnology, medical device and government and public health organisations. We focus our innovation on the factors that are critical to our clients – reducing time to market, reducing cost and increasing quality – and our global team of experts has extensive experience in a broad range of therapeutic areas.
