

## COMPANY PROFILE

**Dr. Wolfgang Schläger**

*Director Clinical Operations*

*Country Head Germany, Austria, Switzerland*

## History and Mission

**Labcorp** is a leading global life sciences company that provides vital information to help doctors, hospitals, pharmaceutical companies, researchers and patients make clear and confident decisions. Through our unparalleled diagnostics and drug development capabilities, we provide insights and accelerate innovations to improve health and improve lives. Learn more about Labcorp at [www.labcorp.com](http://www.labcorp.com) or follow us on LinkedIn and Twitter.

## Highlights

**Labcorp** supported the development in all of the top 50 best-selling drugs in the market and has worked on more than 95% of the novel oncology drugs approved by the U.S. FDA in the last 5 years.

Sponsors – both emerging biotechs and large pharma – can access scalable global solutions for drug development from discovery and early phase research to global clinical trials and commercialization.
